## Changes for the New Year

Change is the only thing that we can be sure of in the coming year. We hope and pray that we will find a full-time pastor. With the coming of a new pastor, decisions will need to be made about the parsonage. Will a pastor want to live in it, or will he want to buy his own home? The council also decided to make some changes after the planning session we had last fall. We will be looking for people to help us make changes for the better at church. Our seniors will have to make plans for after graduation. There will be the changes that we expect and want, and the changes that we dread and don't see coming. We may be worried about how the changes will affect us.

We don't know what will happen in 2024. We may be worried about the bad things that could happen to us next year. However, worry comes from the devil, not from God. Worry is the stress that comes when we believe that things will not be all right, they will be bad. Concern means that we care about the problem, but it focuses on what can be done and what cannot be done. Jesus tells us about worry in Matthew 6:33-34. "But seek first his kingdom and his righteousness, and all these things will be given to you as well. Therefore, do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own." In other words, do what you can today to make things better today, and don't worry about what will happen tomorrow.

Jesus encourages us to seek God's Kingdom of Grace first in all things. He has overcome all things that would harm us. He died for all sin and rose from the dead in victory to give us hope and joy always, even in troubled times. 1 John 5:4-5 says, "For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith." Therefore, face this new year with confidence that God will be with us each step of our journey in life. We will overcome all things. Seek God's Kingdom in His Word and Sacrament and the Holy Spirit will strengthen and guide you all of 2024. He will bless us that we might be a blessing to others and shine with Christ's love.

Yours in Christ,

Pastor Michael D. Wolff

## MONTHLY MISSION OFFERING

Our regular MONTHLY MISSION OFFERING offered on the weekend of **January 20 & 21**. A Basket will be made available for your gifts and support of **“Lutherans For Life.”** This Lutheran ministry is a vital and life saving service in many ways. Although technically reversed, the Roe vs Wade ruling which legalized abortion, left more than 60 million babies whose lives were ended legally. The affects on would have been mothers, fathers, sibling and grandparents are devastating. The work of LFL along with our congregations bring the comfort and love of the Gospel.

We are blessed to be united and recognized as supporting LFL and continue to speak up and encourage all human life.

## LUTHERANS FOR LIFE

Lutherans For Life started as the vision of a handful of Lutheran leaders in 1976, this initial work grew to the official launch of Lutherans for Life (LFL) in April of 1979.

Lutherans For Life offers counsel, hope, healing, and reconciliation with Jesus Christ through Word of Hope (888-217-8679; [www.word-of-hope.org](http://www.word-of-hope.org)) to women and men who are experiencing the aftermath of an abortion.

The truth we proclaim is not to be proclaimed timidly or ashamedly, nor should it be proclaimed with anger and finger pointing. The truth of the Gospel is to be proclaimed in love. Love confronts people with their sins, but love does not condemn people because of their sins.

The love of Christ’s Gospel meets people where they are in their sin, but does not leave them there. It frees them from the crushing weight of sin and guilt and brings them to new life, as they are restored in their relationship with their Creator and live the life God originally intended for them. Find more information on LFL at website: [www.lutheransforlife.org](http://www.lutheransforlife.org)

## President's Notes

And so we begin another year. Like many of you I look forward to the new year and immediately begin to plan for all of the things that I have to get done. There are plenty of decisions that need to be made that will shape things now and in the future.

In a sense it's the same for our Congregation. We too have many decisions that we should make this year. Some new, and some that have been around awhile. In the weeks prior to the Congregation meeting on February 11<sup>th</sup> I hope to be able to distribute some short summary/informational sheets regarding several of the agenda items. I think it's important that this information is available in advance so that our discussions will be productive. Ultimately, it may even take some special meetings to get a consensus. But ultimately, we as a congregation need to make these decisions.

First and foremost, the main reason for the February meeting will be that of the annual elections to fill the various Church Board and Council positions. Currently there are open positions on just about every board. An updated roster is available in this newsletter and in the Church office. Please consider how you may help serve as there are many opportunities to do so. Your voice and ideas will be welcomed. I do need to point out one position that has gone unfilled for many years and that is the Vice President of the congregation. This a very important spot that needs to filled this year. My term will be completed next year and I've been here long enough. It's time for new blood and new thinking. Filling this slot now will allow for a much easier transition. I pray that right person will step forward.

As always feel free to contact me with any comments or questions

Bob Mortimer 312-316-6519

*“Putting Faith in Education”*

## *Thoughts from the Principal...*

I was watching a movie recently. It was about a man who had everything money could buy in this world. One morning he woke up and he was magically thrust into a different world. He went from the world of high finance on Wall Street to a suburban family man. He was mortified to be in the suburban world but by the end of the movie, when he was back at Wall Street, he fought to get back to his family and the simple life.

Where does our joy come from? I know that sometimes I try to find my joy in stuff. Sometimes I try to find my joy in temporary things. When I do that, I am searching for joy in all the wrong places. When I realize that my joy is based on **whose** I am instead of **who** I am and **what** I have, that's when I can have that peace that passes all understanding.

It's okay to enjoy the things that this life and this world has to offer. But if we try to find our joy in this way we are heading for disappointment to be sure.

Jesus came that we may have life, and have it abundantly (John 10:10). But that abundant life can only come when He is the focus of everything we do. We look to the babe of Bethlehem. We look to the Savior of the world. We look to our Lord who calls us by name and claims us as His own. There we find the true joy of living, and the promise of life everlasting.

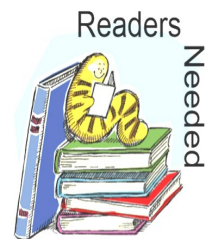

Blessings,  
Steve Hall; Principal  
(reprinted from January 2021)

## Welcome

We have a new 4<sup>th</sup> grade teacher who begins her duties in full at the beginning of 2<sup>nd</sup> semester. Her name is Maylene Carreno from Oregon, Illinois. Toni Rowley has been filling in on an interim basis. Many thanks to Mrs. Rowley for stepping up during this unexpected vacancy.

## Readers Needed

If anyone is interested in reading with any of our lower grade children, please contact Mr. Hall.

The St. Paul JV Boys Basketball Tournament is scheduled for February 23-24, 2024. If any congregation members could spare a little time and help with gate, concessions, or hall monitoring, please contact Mr. Hall ([shall@stpaulrochelleil.org](mailto:shall@stpaulrochelleil.org)).

We are still in need of donations to the Frieda Pickreign Fund, which is the scholarship program that allows families to attend St. Paul Lutheran School who otherwise might not be able to. Please consider an end of year donation to this essential program.
